Dear Dept. of Natural Resources Personnel,

I received the attached fee for mining. The mining activity and the business ended in 2014. Our activity stopped and the site was reclaimed in 2014, so no fees would be owed. I believe that this was previously communicated.

For your files, please note that there has been no mining activity with N&J Associates after 2014. Please close down any permits as it pertains to your billing.

Regards,

Nancy Smith
